Update on Winter Weather and School Closures

In the event of wintery weather, this is just a reminder of the process we use to inform you if we have to close the school at any time. We try hard to keep open but each year is different so do bear with us.

Our preferred method will be via Text2parents messaging system so please ensure that we have your latest mobile number.

However, in the event of further school closures over the winter period you can also look on the Derbyshire County Council Website under School Closures - the link is

<https://www.derbyshire.gov.uk/education/schools/school-closures/school-closures.aspx>

This method is quick and will email you alerts if you sign up to it. We will also use our school Facebook page to inform parents too.

WE WILL

- 1) Send a text to parents
- 2) Contact the DCC website school closures
- 3) Update the school Facebook and Class Dojo

YOU NEED TO

- Check your phone
- Check the DCC webpage
- Check our Facebook page and Class Dojo

If we do close or open later, please do not bring your child to school until the time you have been told, as there may not be the staff available to look after them and we may have to turn them away. In events like these, we also have to make sure the staff get here safely too!

Thank you for your continued support
